Re: Patent No. US 6,711,268 B2

Dear Ms. Brantley,

OFFICE OF PETITIONS

I have received your determination mailed 22 February 2011, to my 37 CFR 1.378(b) Petition.

I hereby request a refund of the following payments which I have made to the USPTO.

The first payment was made by cheque for US\$1,240.00, the second payment for US\$1,190.00 was charged to my VISA card.

The current address for correspondence as shown for Patent No. US 6,711,268 needs to be updated.

Therefore I need to know the following:

1. Does the address for correspondence need to be changed on a cancelled patent for the refund to be made directly to me?
2. If necessary, what is the most expedient manner to change the address for correspondence?
3. In what form will the USPTO make the refunds: by cheque, a VISA credit??? If by VISA credit, my VISA account details are on file in a previously submitted Credit Card Payment Form, PTO2038.

I would appreciate a faxed reply at your earliest convenience.

Yours faithfully,

Barry Colegrave

Director

Inventor.
